HELP US FIND THE MISSING PIECE...

Allied Universal New Employee Referral Program Partners in Employment (PIE)

As we continue to grow, we need to hire more and more Security Professionals and who better to help us than YOU?

We know that our own employees make the best "recruiters" for finding new employees. We believe that YOU know what it takes to be a phenomenal Security Professional and can be our best source for identifying and referring others to join our team.

Make a PIE Referral and Earn a Bonus:
$1,000 Security Professional
$1,500 Armed* • $2,000 Cleared*

Qualified Referrals:

Prior security experience not required. Many of our best referrals have experience in "people orientated" professions that require a great attitude and willingness to provide great service.

How To Make A Referral:

- Complete a "PIE Referral Card" providing your name and EEID (employee ID#) and give the card to your referral candidate.

- It is the responsibility of the AUS referring employee to provide his/her referral candidate with the correct ID#.

- Referral candidate enters your name and EEID information on the iCIMS application.

Bonus Eligibility Requirements:

- The referring employee must be actively employed at the time the referral candidate is hired.

- Both the referral candidate and referring employee must be actively employed at the time the referral award is paid.

- The referral candidate must work at least an average of 16 hours per week.

- All active Security Professionals are eligible for this bonus program.

Bonus Payout:

- Bonus will paid in 25% increments on a quarterly basis.

- Both employee and referral candidate must be active employees upon time of payment and meet all program eligibility requirements.

See the PIE referral FAQs or your Supervisor/Manager for more details. Program start date 7/10/2017.

*Applicant must qualify for cleared or armed positions at the time of hire.
