

PARTNERS IN EMPLOYMENT®

Allied Universal® Employee Referral Program

As we continue to grow, we need to hire more and more Security Professionals and who better to help us than YOU?

We know that our own employees make the best “recruiters” for finding new employees. We believe that YOU know what it takes to be a phenomenal Security Professional and can be our best source for identifying and referring for more specialized roles, such as licensed armed and Government Security Cleared Security Professionals, as well as other qualified Security Professionals, to join our team.

Newly revised as of June 25, 2021
